

Conergy AG | Anckelmannsplatz 1 | 20537 Hamburg

To Whom It May Concern:

This is an official memo which serves as an addendum to the respective Installation Manuals for the photovoltaic (PV) modules listed below. This addendum applies to alternative methods for bonding and grounding to PV mounting systems which are approved for the below listed modules.

Section 1 Conergy PH Series PV Modules

Conergy PH 220P  
Conergy PH 225P  
Conergy PH 230P  
Conergy PH 235P  
Conergy PH 240P  
Conergy PH 240M-BL

Section 2 Approved Alternative Grounding Devices and Methods

Conergy approves the use of UL-467 approved bonding and grounding devices, including Wiley, Washer, Electrical Equipment Bonding (WEEB) and similar devices such as barbed washers meeting the requirements of UL-467 as suitable for electrical bonding and grounding PV modules to PV mounting systems.

This addendum is subject to change without notice and may be updated periodically as required to reflect modifications, additions and deletions.
